## EXPLORE ALMAJDOUIE LOGISTICS AWARD-WINNING SOLUTIONS

A key industry player with over 50 years of experience, Almajdouie Logistics provides a comprehensive range of integrated end-to-end logistics solutions to major industries through extensive local, regional and cross-border offices across the GCC and beyond.

Utilising the largest and most geographically diverse asset-based business model in the region, we manage customers' needs through large scale operations that meet the highest quality standards.

Almajdouie Logistics is at the forefront of logistics on-site management, operating one of the largest and most advanced transportation fleets in the GCC, and supported by facilities located near major ports and industrial cities.

Through our award-winning freight forwarding, warehousing, transportation, distribution, customs clearance, terminal handling, and projects logistics services, Almajdouie Logistics' journey in exceeding customer expectations continues.

### ONE FAMILY

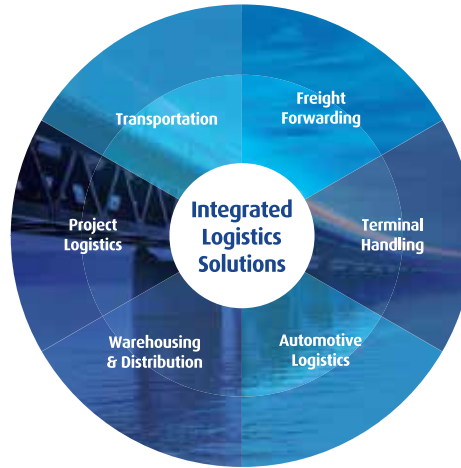

Comprising 4,000 skilled individuals, our employees are our most prized asset. Hailing from more than 23 different countries, they form the backbone of Almajdouie, functioning as one family to overcome the most challenging logistical requirements across a multitude of industries.

### SAFETY FIRST

Whether it is related to our employees, suppliers, or customers, safety is at the top of our priorities. Complying with the best Health and Safety practices, we continuously invest in creating a risk-free environment to meet the highest global standards.
